EXPERIENCE

OKTOBUZZ

Senior Visualizer & 3D Motion Graphic Artist | 2024 – 2026 Mumbai, India

- Created CGI, 3D visualization and motion graphics for commercial brand campaigns.
- Primarily handled CGI projects for Westside across social, promotional and campaign content.
- Produced UGC-style videos, Shot + CGI, complete CGI videos and motion content.
- Worked on CGI compositing, render passes, high-end 3D model edits and visual development.
- Developed creative concepts, storyboards and AI-assisted workflows for content production.
- Worked across projects for Westside, Vithobha Healthcare, ACCA, OIAI, A&H and Xeno's Play Space.
- Created promotional content for book campaigns associated with Chetan Bhagat and Amish Tripathi.

PENTABLEU

Graphic Designer | 2022 – 2024 BKC, Mumbai

- Created social media content, posters, short-form videos and UGC-style content.
- Handled client communication and content requirements.
- Developed practical knowledge of print design and production processes.
- Started learning Blender independently alongside professional design work.
- Created low-poly, game-ready 3D assets through freelance projects for indie game developers.
- Worked on daily content production, creative brainstorming and visual communication.
