

SAHIL VISHWA

3D GRAPHICS SPECIALIST

I am a 21-year-old 3D artist with over three years of combined expertise in graphic design and 3D art. I specialise in developing creative ideas into immersive visual experiences using the most up-to-date 3D modelling tools. After focusing on 3D art for a year, I'm excited to contribute my talents and enthusiasm to a dynamic team in a forward thinking organisation.
